

Linear Power Supplies

- | Linear AC/DC or AC/AC Adapters, power supplies
- | Wall-mount and desktop type available
- | Output connector according to customers' requirements
- | customers' designs are accepted

Key Specifications/Special Features:

- Standard AN-1000 series:
 - Linear power supply, 1 to 1000W
 - 50/60Hz operation
- Load: 5W:
 - Secondary voltage: 3 to 24V
 - Secondary current: 0.1 to 1.5mA
 - Dimensions: 60 x 40 x 20mm
 - Weight: 0.11kg
- Load: 50W:
 - Secondary voltage: 3 to 24V
 - Secondary current: 0.1 to 1.0mA
 - Dimensions: 90 x 75 x 40mm
 - Weight: 0.60kg
- Load: 100W:
 - Secondary voltage: 5 to 48V
 - Secondary current: 0.5 to 20mA
 - Dimensions: 115 x 90 x 40mm
 - Weight: 1.0kg
- customers' designs are accepted
- Standard range general properties
 - Primary voltage: 90 to 240V
 - Frequency: 50/60Hz
 - Secondary voltage (DC) tolerance: 3 to 60V, +/-5%, at normal input and full load
